## Pfc Standridge Receives Orders To Return to U.S.

Two Torrance men are in recent news from Korea. One has received rotation orders and another is serving on the Korean central front.

Pfc. Ralph E. Standridge, son of Mr. and Mrs. J. E. Standridge, 1214 Beach avenue, who landed with X Corps troops during the Inchon invasion 15 months ago, will shortly be back in the United States. He has been a member of the transportation section of X Corps headquarters and has participated in all X Corps campaigns. He is listed in the Army during August, 1949, and before shipment to Korea served with occupation forces in Japan.

Pfc. Richard R. Fiedler, son of Mr. and Mrs. Carl A. Fiedler, 212 East 223rd street, is now serving in Korea with the 194th Engineer Combat Battalion, a part of IX Corps. This unit has been responsible for construction of roads, bridges and the like as well as combat fortification, including mine fields and barbed wire entanglements. As a civilian he was employed by a Long Beach lumber company.

## Funeral Service For John Alcorn Set for Friday

Funeral services will be held Friday at Mottell Mortuary in Long Beach for John Alcorn, 66, former Torrance resident, who died Saturday at Veterans Hospital in Long Beach.

Bishop William Bullock will officiate at the service, assisted by Chaplain Tom Dohata of the American Legion Post 187.

Mr. Alcorn, a veteran of both World Wars, was a retired Navy man. Interment will be at Green Hills Memorial park.

Mr. Alcorn is survived by his widow, Bertha, of 2423 West Manhattan Beach boulevard, a daughter, Doris, who resides at the same address, and two sons, James, of Lawndale, and William, of Glendale.

He is also survived by two brothers, Henry, of Kansas City, and Joe, of Washington, and a sister, Mrs. Alice Lyons, of Wyoming.

## New Guidance Tests Set at Harbor Tech

All students who intend to enter Harbor Junior College for the first time on Monday, February 4, 1952, are advised by Mrs. Hazel M. Whedon, dean of admissions and guidance, to take the guidance examinations to be given in the college library on Saturday morning, January 5, from 9 a.m. to 12 noon.

These examinations are being offered to accommodate those who were unable to take the examinations offered last month.

The examinations, according to Dean Whedon, have no bearing upon the student's admission to the college. They will, however, enable the guidance staff to be of much greater assistance in helping students plan their programs.

Enrollees who have taken these tests will be given appointments to return to the college before February 4 in order to discuss with counselors their programs for the following semester.

## Driver Fails Curve Test

Driver Thomas W. Walsh, 30, of Manhattan Beach, took a turn for the worse last week and wound up with a few bruises and no car.

Walsh failed to make the curve on Lomita boulevard near Hawthorne and took out 150 feet of fence. He was rushed to Harbor General Hospital by the Figueroa-Miller ambulance, where he was treated for shock, bruises, and abrasions.

His car was badly damaged.

## Dale Cullum Now in Japan

Among a group of sailors who recently reported for duty at the U. S. Fleet Activities, Yokosuka, Japan, was Dale L. Cullum, seaman apprentice, USN, son of Mr. and Mrs. Roy G. Cullum, of 1637 Fern avenue.

Cullum, who entered the Naval service June 27, received his recruit training at the U. S. Naval
